QUALITY
ROSE COAL is always of uniform quality, burning out clean and free from clinkers. Mined in the outskirts of the City of Scranton, there is probably no better coal to be found in the whole Scranton District.

VALUE

ROSE COAL represents one hundred cents' worth of value received for every dollar you spend. It is as free from slate and bone as any coal can be, making a most excellent domestic fuel.

ON TIME
WHEN you order Rose Coal you are always sure of getting it promptly. This is very important when your coal supply runs low and the weather turns suddenly cold.

QUALITY
ROSE COAL is always of uniform quality, burning out clean and free from clinkers. Mined in the outskirts of the City of Scranton, there is probably no better coal to be found in the whole Scranton District.

QUALITY
ROSE COAL is always of uniform quality, burning out clean and free from clinkers. Mined in the outskirts of the City of Scranton, there is probably no better coal to be found in the whole Scranton District.

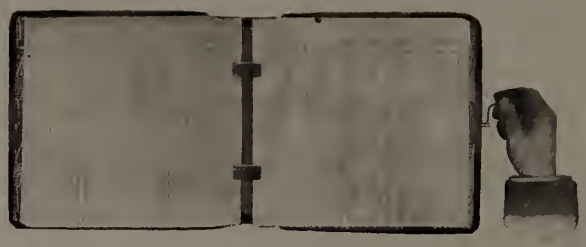
PRINTING



Catalogue . Booklet . Magazine

WE have one of the largest and best equipped Printing and Bookbinding Plants in Canada, and we give special attention to the production of Books, Catalogues, Magazines and Booklets. We have a large Staff of experienced workmen, and everything in the making of books is done under our own roof. . . . .

¶ We should like to print your next Catalogue or Booklet.

WARWICK BROS & RUTTER
LIMITED

King and Spadina - - TORONTO

The Kalamazoo Loose Leaf Binder

THE "KALAMAZOO" Loose Leaf Binder has been manufactured in England and the United States for many years and in Canada for nearly six years, and it is to-day recognized as the best expression of the loose leaf principle that has yet been offered. ¶ It has no complicated mechanism to get out of order and no exposed metal parts to injure the desk. ¶ It lies close to the desk (much closer than any other) and the writing surface is firm and flat. ¶ It will hold any number of sheets from one up to one thousand, and every sheet is as secure as in a bound book. ¶ It is light in weight, strong, durable, easy of operation and capable of unusual expansion, and it will do everything that any other binder will do, and do them better. ¶ It can be made in any size and to suit any purpose. : : : : : : Send for Booklet "B" describing the Kalamazoo Binder, or a City representative will be glad to show you the Binder itself. : : :

QUALITY
ROSE COAL is always of uniform quality, burning out clean and free from clinkers. Mined in the outskirts of the City of Scranton, there is probably no better coal to be found in the whole Scranton District.

HOW TRUE THIS IS

Book agents get the G. B. and insurance solicitors are shown the door, BUT the Postman is one caller who never gets the passover.

The best of salesmen are given the "Call again" hold up, BUT the Postman is a welcome visitor—he always gets by.

THEREFORE, Advertising through the Mails invariably receives some attention and the best class of letters or booklets are always given mature consideration.

Get next to the Postman, he'll land your prospect.
